Meeting Notification**

October 26, 2009

Dear Interested Parties:

We would like to thank all of those who participated in the professional athletics public meetings held between August 13 and October 1, 2009. The goal of these meetings was to identify ways to increase revenue in order to become a self-supporting program. At the end of these meetings a consensus was reached and a final recommendation was presented to the leadership of the Department of Licensing. The first recommendations included establishing an industry Ad Hoc Committee to work with the Department of Licensing. This group will assist in the further research and refinement of the recommendations to create a self-supporting program.

With that, we are taking the first steps in establishing an Ad Hoc Committee and would like to invite you to attend a meeting on November 10, 2009. At this meeting we will discuss some of the details of the Ad Hoc Committee to include the makeup of the Ad Hoc Committee, process in which the members will be chosen, and when, where, and how often these meetings will be held.
